

Delivering Food & Hope

November 8th, 2024

Schools' Coin Mural Challenge - 2024 Christmas Appeal

To whom it may concern,

As Christmas fast approaches, we want to encourage opportunities to come together, make a meaningful impact, and unleash creativity. We would like to introduce the Schools' Coin Mural Challenge, a special initiative that invites your entire school community—students, staff, and parents alike—to join forces for a heartwarming cause.

Here's how it works:

- 1. Collect Coins:** Throughout November, we encourage everyone to contribute spare change to the Schools' Coin Mural Challenge. Whether it's a month-long coin drive, a dedicated week, or even just a single day of focused effort, every coin counts!
- 2. Create Together:** Once you've collected all your coins, decide on a day, morning or afternoon, to come together and create your school's masterpiece—a Christmas-themed coin mural!
- 3. Supporting a Local Cause:** The coins you raise will go towards Loaves and Fishes Tasmania's 2024 Christmas Appeal. By participating, you not only get to engage in a creative project but also support us as we aim to support Tasmanians doing it tough this Christmas.

This challenge is more than just raising funds—it's about coming together as a school family, just as many families come together for Christmas lunch, and as those in need attend community Christmas lunches. It's about students working side-by-side with staff and parents, creating something unique, and experiencing the joy of giving.

We can't wait to see the creativity and fun that will unfold as Tasmanian schools unite to deliver food and hope to those in need. We look forward to seeing how your school community could be involved this year.

Warm regards,

Lauren Mace
